Marketplace comes alive ("Deployment Day")

Recommendations for CIVITAS Forum conference programme

Discussion papers for PAC meetings

Recommendations for EU policy makers

CIVINET support through CIVITAS SATELLITE

General information

- In CAPITAL the CIVINETs had their **own work package**; in SATELLITE support is encompassed in **multiple WPs**
- SATELLITE provides **financial support** (250,000€ Activity Fund) plus prioritised access to funding of work placements and study visits
- In addition, SATELLITE provides **non-financial support**

CIVINET support through CIVITAS SATELLITE

Financial

- **Activity Fund for existing CIVINETs (2 calls à 110,000€ each planned)**

Activities that can be funded comprise:

- capacity building activities (workshops, seminars, site visits, translation of e-courses/ learning material, providing expert advice to members)
- transfer and take-up activities (peer-to-peer exchanges, translation of Thematic Group material)
- translation of promotional material

- **Activity Fund for establishment of new CIVINETs (1 call à 30,000€ planned)**

- **Prioritised access to funding of work placements and study visits for CIVINET members (37,200€ available in total)**

- four open calls planned
- budget available for participants
- budget available for host cities

CIVINET support through CIVITAS SATELLITE

Non-financial

- **SATELLITE dissemination** activities
 - dissemination of CIVINET news at EU level, e.g. CIVINET news in MOVE newsletter
 - regular communication with CIVINETs: dedicated information and news from CIVITAS world and projects
 - strong visibility on CIVITAS website
- **Involvement in CIVITAS Thematic Groups (TGs)**
 - Participation in dedicated exchange and networking in TGs
 - CIVINET members can submit specific requests to the TGs for activities catering for their specific needs, e.g. a national event on a specific topic
 - CIVINETs invited to contribute to PAC recommendations in cooperation with TGs
- Access to **marketplace** of transport tools, methodologies and solutions
- Provision of **Exchange Hub** for CIVINET-internal communication
- Access to SATELLITE's **capacity building** activities, e.g. e-learning courses, webinars, etc.
- SATELLITE will conduct **surveys** with CIVINETs to identify further support needs and expectations
